And more importantly:
what can you do by combining and analyzing signals from all of these IoT devices?

IoT Business Maturity Model

1. Operational efficiency

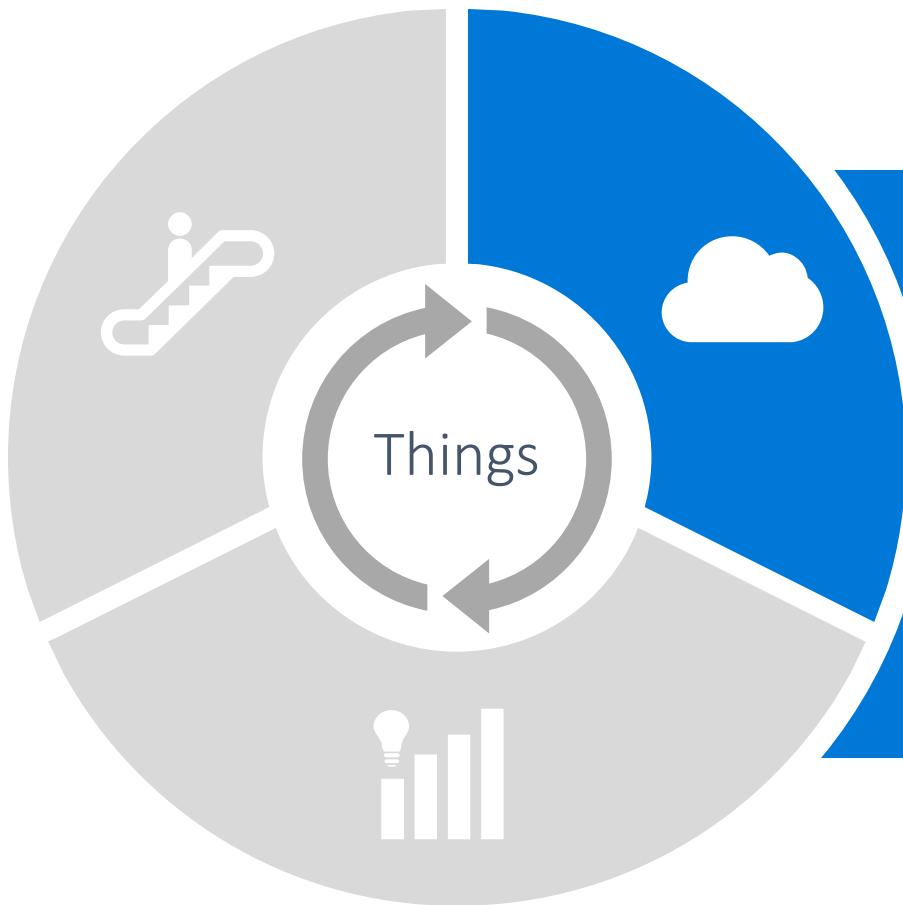

Connect devices and monitor telemetry

Monitor and track device state, location and health

Rules and alerting to improve operational efficiency

IoT Business Maturity Model

2. Business Intelligence

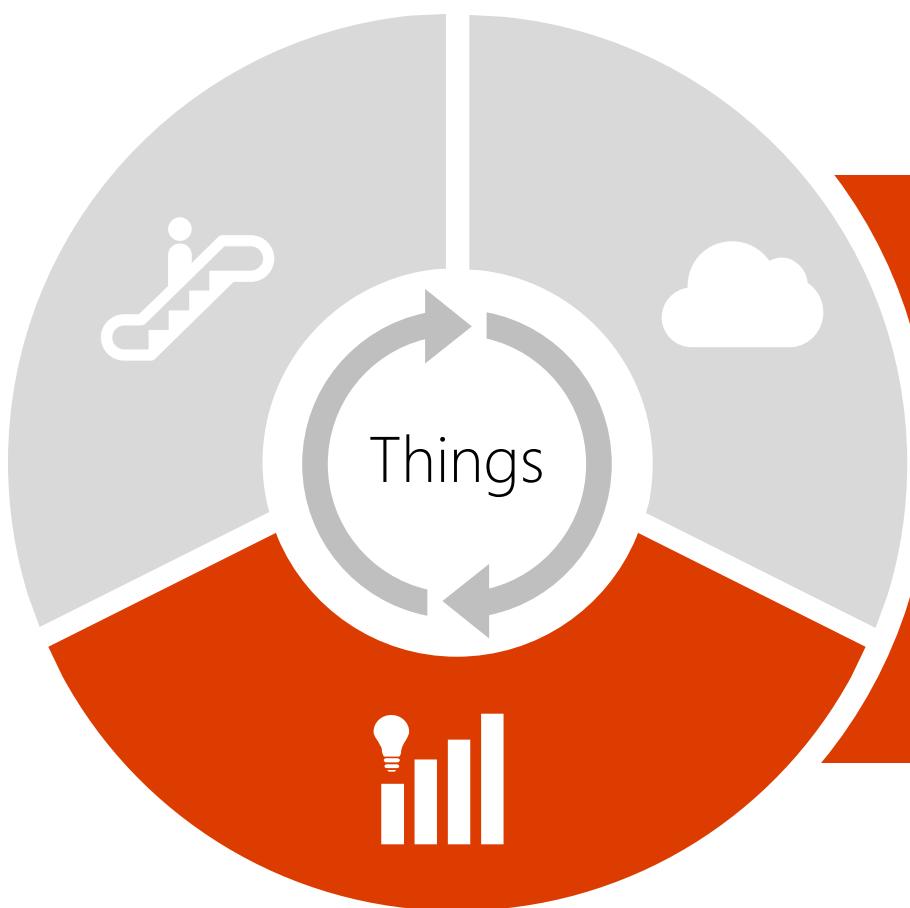

Analyze and visualize data from devices

Discover patterns in device data using predictive analytics

Operationalize insights to improve things and processes in real time

IoT Business Maturity Model

3. Business Transformation

Combine IoT & other data with advanced analytics to power new services and revenue streams

Expand into new adjacent businesses

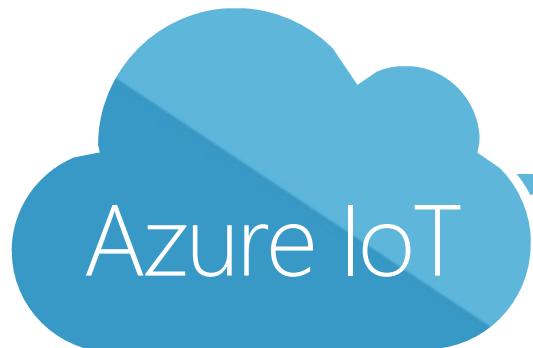

New partnership opportunities

IoT Device and Cloud Patterns

Cloud Based IoT Solutions

Three parts of an IoT solution

Easy to provision, use and manage

Pay as you go, scale as you need

Global reach, hyper scale

End to end security & privacy

1 Device connectivity & management

2 Analytics & operationalized insights

3 Presentation & business connectivity

What is the cloud like?

An approach to computing
that's about internet scale
and connecting to a variety
of devices and endpoints

Global
Footprint

Pay **only** for what you use

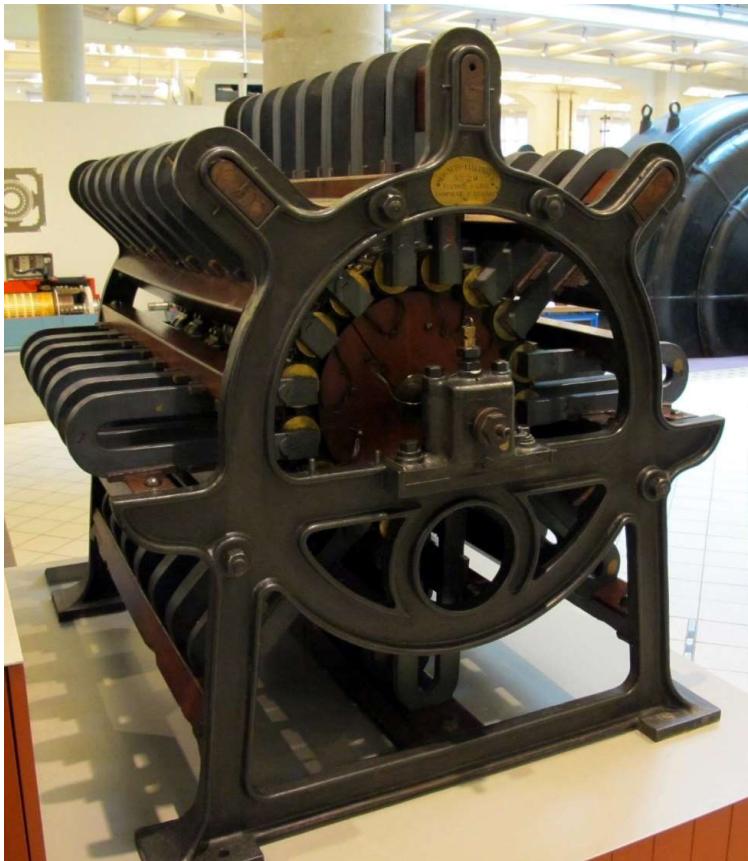

From your own vehicle to public service

A man in a suit and sunglasses is sitting on the open driver's side door of a dark-colored luxury sedan. He is looking towards the city skyline of San Francisco, which is visible in the background under a clear sky. The Uber logo and slogan are displayed in the upper right corner of the image frame.

The screenshot shows the IT Pro Cloud Essentials landing page. On the left, a sidebar lists navigation links: HOME, CLOUD SERVICES, EDUCATION, TECHNICAL SUPPORT, AZURE SCENARIOS, PROFILE, and CONTACT US. The main content area features a section titled "Offers" with three items: "Cloud Services" (represented by a cloud icon), "Education" (represented by a graduation cap icon), and "Support" (represented by a microphone icon). Below this is a large image of two men working on a computer, with a green button labeled "Activate now".
